

Become a Member of Bay Area Stage

Membership in Bay Area Stage is for people who care about the future of the Arts and about the future of theatre in Solano County and the surrounding San Francisco Bay Area.

Membership is the backbone of our organization, made up and run by, volunteers with a love for theatre and a desire to see live theatrical productions taking place in our community. BAS is a volunteer, 501(c)(3) federally recognized, public charity organization. BAS has no paid employees. The producers, actors, stagehands, designers and production crew, donate their time and talents to present theatre productions for your pleasure.

Funds generated by ticket sales do not meet our operating costs. We appreciate your support and generosity as a member and patron. Without you, there would be no BAS.

Additional Membership applications are available on our website: www.bayareastage.org
